OCTOBER LETTER

Dear Members,

It was great to see everyone come back together at the September meeting, after a busy summer. In addition to our “business” discussions about the activities and plans for our CCW year, we had the opportunity to reflect and share on: “Where Did God Show Up in Your Summer?”

From vacations to nature to our relationships with others, we were able to share a lot with just a few words or a single photo of our summers. For some, this provided closure to a summer activity; for others, it opened the possibility for further reflection on gratitude or patience. If nothing else, simply voicing our experiences brought them to God’s attention:

*Have no anxiety at all, but in everything,
by prayer and petition, with
thanksgiving, make your
requests known
to God*

-Philippians 4:6

We have a special meeting this month, which will be held this Sunday (no Monday meeting) – see Page 2. Please look at the meetings for the remainder of the year on page 3. We are asking everyone to sign up for and participate in a committee this year – more information at our November meeting.

Here’s to a great year!
